The right to use the Moniteau County SWCD Prescribed Burn Equipment.

2. The Moniteau County SWCD, Moreau Valley Quail Forever Chapter, Mo Chapter of the National Wild Turkey Federation (NWTF) and Missouri Department of Conservation (MDC) has jointly provided this prescribed fire equipment to encourage the proper and safe use of prescribed fire to manage grassland and woodland in the Central Missouri area. These agencies do not promote the use of fire for any other purpose.

3. You are legally responsible for damages that occur as a result of your prescribed burn. This includes smoke or fire damage. Just as in safe use of farm machinery or pesticides, fire must be used with proper manpower, equipment, weather, and attitude.

4. The agencies jointly providing this equipment recommend that all persons using this equipment attend a prescribed burn workshop and have a prescribed burn plan written on the land they are burning. This unit will be provided on a first come first serve basis.

5. This equipment does not represent a complete set of tools needed to conduct a prescribed burn. It is only a select set of specialized equipment that is not commonly owned by farmers and ranchers. The prescribed burn plan will contain a complete list of equipment needed to set, contain, or extinguish grass and woodland fires. It is the responsibility of the renter to ensure that this equipment is in working condition before igniting the fire.

6. By signature of this agreement, I acknowledge that I understand that persons igniting a prescribed burn may be held liable for damages resulting from the fire including control costs, should the fire escape the designated area. It is further agreed that persons using this equipment shall hold and save the Moniteau County SWCD and partners, its officers, agents or employees, harmless from any and all liability for wages, supplies, equipment, damage and injury to persons or property arising in connection with any activity conducted by cooperators using this equipment.

7. I agree to a Care and Maintenance deposit of the daily rental rate to the Moniteau County SWCD which will be refunded upon return of all equipment on time and without damage. I also agree to replace any equipment permanently damaged, lost or stolen while in my possession.
